State of New Hampshire

To the inhabitants of the town of Haverhill qualified to vote in town affairs:

You are hereby notified to meet at the town hall in said town on Tuesday, the 9th day of March, 1926, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To chose a town clerk.

Aaticle 2. To hear the reports of the selectmen, treasurer, cemetery comissioners, and any other town officers heretofore chosen, and to pass any vote relating thereto.

Article 3. To choose one selectman for the term of three years, a town treasurer, one or more highway agents, one or more autitors, one llibrary trustee for the term of three years, one cemetery commissioner for the term of five years, one trustee of trust funds for the term of three years, and all other necessary town officers.

Article 4. To raise and appropriate money for the support of the poor.

Article 5. To raise and appropriate money for maintenance of state truck line roads.

Article 6. To raise and appropriate money for the construction of state aid roads.

Article 7. To raise and appropriate money for the maintainance of state aid roads.

Article 8. To raise and appropriate money for removal of snow on trunk line and state aid roads.

Article 9. To raise and appropriate money for laying out, building and repairing highways and bridges.

Article 10. To raise and appropriate money to pay interest and principle of outstanding town notes.

Article 11. To authorize the selectmen to issue interest-bearing orders or notes to provide for current town expenses in anticipation of taxes.

Article 12. To authorize the selectmen to distribute the blank inventories at the time they examine and appraise the taxable property.

Article 13. To raise and appropriate money for town libraries.

Article 14. To raise and appropriate money for Memorial Day.

Article 15. To raise and appropriate money for cemeteries in said town, and pass any vote relating thereto.

Article 16. To see if the town will authorize the selectmen to issue prescription permits to druggists.

Article 17. To raise and appropriate money for the support of the Cottage Hospital.

Article 18. To raise and appropriate money to exterminate white pine blister rust in said town.

Article 19. To raise and appropriate money for other town charges.

Article 20. To see if the town will vote to appoint a budget committee to supervise the appropriations of said town and to recommend to the next annual meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 21. To transact any other business proper to come before said meeting.

Given under our hands and seal this ninth day of February, 1926.

ARTHUR E. DAVIS,
WESLEY G. WHITE,
JONAS N. BROWN,
Selectmen of Haverhill.

A true copy. Attest:

ARTHUR E. DAVIS,
WESLEY G. WHITE,
JONAS N. BROWN,
Selectmen of Haverhill.

Report of Selectmen

To the citizens and tax payers of Haverhill:

The selectmen herewith submit their report for the year ending January 31, 1926, and on the following pages will be found the detailed statements.

WOODSVILLE-WELLS RIVER BRIDGE

The United Construction Company carried the Woodsville-Wells River Bridge case to the United States Court of Appeals. There the decision was reversed and a new trial ordered.

STATE AID CONSTRUCTION

The Briar Hill Road has been completed and the balance from this account was expended on the Blackmount road.

HIGHWAYS

During the past year we have kept within the appropriations. Of the \$20,000 appropriated at the last town meeting \$10,200 was paid over to Woodsville Precent, leaving \$9,800 for the town. We have expended \$9,479.21 leaving a balance due the Town Highway district of \$320.69.

It was generally understood at the last meeting that there was to be some money expended on the sidewalks in No. Haverhill and Haverhill. We were unable early in the spring, to engage anyone to do the cement patching we intended to do. Later in the season, we learned Mr. Tilton was to do considerable work in Woodsville. We engaged him, at our first opportunity, to do our work with concrete, and understood the work would be done before the summer season was over.

Through some misfortune, Mr. Tilton was unable to finish all the work at Woodsville before cold weather, but we have his promise to do our work the first in the spring, as soon as the weather will permit.

In following out our plans as of previous years, we have built five new pieces of permanent road during 1925, these pieces being built in places we considered to be the worst, at the same time taking into consideration the amount of traffic over these roads. We recommend this same policy be continued.

FINANCIAL

During the past year we have decreased the town indebtedness in the amount of \$16,257.85, being able to pay one note of \$10,000.00, one note of \$5,000.00 and indorsing a payment of \$1,000.00 on a third note.

Owing to the fact that a good amount of taxes were collected early in the season, and paid over to the treasurer, we were not obliged to borrow any money this year to start our 1925 business.

It is noted on the financial statement that there are no uncollected taxes for 1925.

Attention is called to the summary on pages 29 and 30 showing the division of the Town Tax Dollar and the average tax dollar of the cities and towns of the state.

Respectfully submitted,

WESLEY G. WHITE,
ARTHUR E. DAVIS,
JONAS N. BROWN,

Selectmen.

LIST OF APPROPRIATIONS

	Appro.	Expend
Trunk Line Maintenance	\$ 6,760 00	\$ 9,116 42
State Aid Construction	2,823 75	3,410 83

Abbott Farm on Brushwood Road,		
Louise Shaw Fund,	100 00	
	<hr/>	<hr/>
	\$12,550 00	\$488 99

The income from the Southard Fund has been divided between the two school districts, Haverhill, \$102.60 and Woodsville School, \$99.40.

The income from the Trust Funds for the care of cemetery lots, amounting to \$280.93, has been paid to John Eastman and Harold Davison, the respective treasurers of the Haverhill and Woodsville Cemetery Association, who have been delegated by the Selectmen to expend same.

The income from the Carbee Fund, \$6.06, has been paid to the Treasurer of the Cottage Hospital.

All the above Trust Funds are deposited in the Woodsville Guaranty Savings Bank, except the Liberty Bonds and Woodsville School Bonds.

Bonds are kept in Safe Deposit Box at the Woodsville National Bank.

AUDITOR'S REPORT

To the Taxpayers of the Town of Haverhill: ,

This is to certify that we have examined the books and accounts of the Selectmen, Town Treasurer, Town Clerk, Tax Collector, and other town officers for the year ending January 31, 1926. We find the books are accurately kept and properly vouched. There were no outstanding Town orders. In our prence and that of the Town Treasurer, the Selectmen burned one note for five thousand dollars and one not for ten thousand dollars and had in hand statement from Woodsville Guaranty Savings Bank, showing indorsement of one thousand dollars on remaining notes, making total note reduction of sixteen (16) thousand dollars.

Woodsville Fire District

WARRANT FOR ANNUAL MEETING 1926

State of New Hampshire

To the inhabitants of the Woodsville Fire District in the town of Haverhill, State of New Hampshire, qualified to vote in district affairs,

You are hereby notified to meet at the Woodsville Opera House, in said district on March 12, 1926 at thirty minutes past seven o'clock in the afternoon to act on the following matters:

1. To choose a moderator.
2. To choose a clerk.
3. To choose a treasurer.
4. To choose an auditor.
5. To choose one commissioner for the term of three years.
6. To choose one water and light commissioner for three years.
7. To hear the reports of all officers heretofore chosen and to pass any vote relating thereto.
8. To raise and appropriate such sums of money as may be necessary to meet the expenses of the district including fire department for the coming year.
9. To see if the district will vote to authorize the commissioners to borrow on the credit of the district, such sums of money as may be needed to defray expenses until the taxes shall have been collected and

turned over to the district, and to issue the notes of the district for all sums so borrowed.

10. To transact any other business proper to come before said meeting.

Given under our hand and seal the 15th day of February in the year of our Lord, one thousand nine hundred and twenty-six.

F. C. MAYO,
E. A. SARGENT,
C. E. BATTIS,

Commissioners.

Your commissioners have handled the precinct affairs and expended the amounts listed below:

During the year 1925 approximately 5000 yards of concrete was resurfaced including sidewalks on the following streets: Smith, Beech, Pine, Elm, Maple, School, Court, Highland, Locust and Ammonosuc, also repairs on Central street at underpass and forward of railroad station. New embankment railings have been put on Mill street, Maple and Ammonoosuc. About 1400 ft. of new sewers have been put in on King street beyond the mill and on School street.

The fire alarm system has been ordered and is partly in, put not paid for. Same will cost about \$2000. and only \$1000. was raised.

Last summer we made arrangements for new lights to be placed from Wells River bridge to the square forward of the Opera House building but these are not in as yet.

Following are the orders or amounts expended:

Highways includes care of streets and
grading, filling, railing, etc., \$ 10,453 38

Fire Department including firemen's salaries, new equipment, care of hose house, etc.,	1882 92
Sewers,	1123 54
Water and Lights,	1797 48
Miscellaneous or General expenses,	632 92
Precinct officers salaries,	70 00
For payment on Clarks Pond note and interest on same,	1200 00
Note and interest for borrowed money to meet the years expense,	10,268 66
	<hr/>
	\$27,428 40

For bonds and interest for Water and Light department. These amounts were turned back into treasury from water and light department,	7800 00
	<hr/>
	\$35,229 40

The Bond Account is as follows:

On the issue of 1922 there is \$48,000.00 outstanding, also Coupon No. 7 to Water Bonds Nos. 22, 26, 25 and 27 amounting to \$80.00 and there is on deposit in the First National Bank of Boston, \$80.00 to pay these outstanding coupons.

On the issue of 1924 there is \$40,000.00 outstanding and Coupon No. 3 to Water Bond No. 6 and Coupon No. 3 to Electric Loan Bonds Nos. 13 and 14 amounting to \$67.50 which amount is also in the First National Bank of Boston to pay when presented.

Water Bonds of issue of 1922 Nos. 7, 8 and 9, also Electric Loan Bond No. 3, all of \$1,000.00 each have been paid and destroyed, as well as all outstanding coupons DUE, except those mentioned above.

Clark Pond Note has been reduced to \$3,000.00 and interest paid on same to Feb. 1st, 1926.

Respectfully submitted,

L. E. DAVISON, Treasurer,

Woodsville Fire District.

AUDITOR'S REPORT

On February 2, 1926, I examined the books and accounts of the treasurer and commissioners of the Woodsville Fire District and found the books accurately kept and properly vouched.

NORMAN J. PAGE, Auditor

Annual School Report

WOODSVILLE UNION HIGH SCHOOL DISTRICT

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Woodsville Union High School District:

I present for your consideration my fifteenth annual report which is the nineteenth in the series of district superintendents' reports.

The total registration for the current year is practically the same as for last year, 445. In the elementary school the pupils are well distributed among the grades with from thirty to forty pupils in each. In the high school some classes are over large but this is due to the inadequacy of class rooms large enough to care for the groups.

The list of teachers for the present year follows: Senior High School; G. Hampton McGaw, Headmaster, French, Latin, United States constitutional history; Henry P. Clough, Submaster, science and mathematics; Margaret G. Sheldrick, commerce; Maud A. Lawrence, French and English; Lillias R. Warren, English, history, Latin; Owen F. Sherman, English and mathematics; Martha H. Foster, domestic arts; Bertha C. Manchester, English, history and manual training.

Junior High School: Nettie W. McCoy, Principal, mathematics and music; Martha Bishop, French and science.

Grades: sixth, Helen A. Franklin; fifth, Mary Mitchell Mann; fourth, Eda Mae Cnossen; third, Harriet Pelletier; second, Lida R. Caldon; first, Florence S. Lang; music, Alice M. Brown; school nurse, Lottie M. B. Underhill.

Thirty-one pupils in the first eight grades were not absent nor tardy during the year. Winifred Atwood, Mary Batley, Marjorie Bailey, Carl Boothroyd, Charlotte Boothroyd, Mabel Brill, Nathan Brill, Audrey Brown, Renato Castello, Luigi Castello, Charlotte Davison, Idabelle Davidson, Harold Day, Luigi Duca, Ruth Fletcher, Leciene Grenier, Leora Greenwood, Harold Heath, Virginia Keyser, Dick Martin, Winnifred Moran, Henry Nelson, Miriam Page, Bertha Platts, George Roy, George Sault, Ruth Sheldon, Roland Thayer, Barbara Wallace, Malcolm Wallace, Marion Wood.

The average attendance for all schools was high, 96.4 per cent. There were four no-school days in the grades and five in the high school, due to holidays and institutes. In fifteen years schools have not been closed because of bad weather. It has become the business of school children in Woodsville to attend school when school is in session and this attitude on the part of children and parents is a worth while result in education. I am convinced, too, that children in general enjoy attending school, that it is a pleasure and not a duty.

Last spring Priscilla Bedell, a member of the Junior High, won the first prize for the state of New Hampshire in the "safety first" contest conducted by the National Automobile Chamber of Commerce. She also won the first prize for excellence in the use of English during the junior high school course. The second prize was awarded Charlotte Davison. These prizes were offered by the Woodsville Woman's Club and are to be continued indefinitely.

Miss Underhill, the school nurse, reports for the last year 79 school visits, 174 home visits, and 219 cases of treatment of various defects. The Red Cross has generously assisted with its funds in the treatment of cases where the home was unable to bear the burden. Teachers are slowly learning that health is the first

fundamental in any modern system of education. In the elementary schools the teachers are putting across a fairly definite and satisfactory program of health training through the checking up of health habits, talks on personal hygiene, supervised plays and games, various health contests, health posters, and dramatized health plays.

The public entertainment by the grade pupils during the fall term was, as usual, well patronized and is likely to become an annual event. Field day was again held in the late spring. For the activities of the high school I refer to the appended report of Headmaster McGaw.

During the summer vacation four rooms in the grade building were retinted and in three rooms the furniture has been resurfaced. New exit locks have been placed on the doors of the grade building. These can not be locked on the inside and thus furnish sure means of exit in case of fire or other emergency. The grade school yard has been much improved by putting in a bank wall, grading in with cinders and laying three feet of cement around three sides of the building to turn the water from the basements. Other minor repairs have been made to keep the school buildings in good repair or to increase their efficiency.

Every noon some teacher takes charge of those pupils who eat their dinners at the grade building. This supervision has brought about a decided improvement in table manners and general conduct during the noon hour.

As far as I can judge the general efficiency of the Woodsville schools is above the average. This condition should not suggest a passive satisfaction in our accomplishment but should furnish a hopeful basis for future advancement. The science of education is twenty-five years behind the achievements of transportation, communication and progress in other mater-

objectives are out of date. As I suggested in last year's report there are in sight new and broader educational lines. Our school-room methods and our educational aims and objectives which have a scientific basis and which will train our young people to live in the present and future rather than in the past. New lines of growth for Woodsville schools are easily suggested such as, a kindergarten, an opportunity class for the slower pupils, systematic physical training for elementary and high school pupils, vocational guidance, greater opportunities in music instrumental and vocal, etc.

There is one material need, a near-by hall which may be used by the pupils of both schools for basket ball, other in-door games, or as a gymnasium. It would seem that a one story structure suitable for such use could be built for a reasonable cost on the high school plot near enough to be heated from the present high school furnaces. Something of this sort is bound to come somewhere soon. Let's start talking about it.

Respectfully submitted,

NORMAN J. PAGE

REPORT OF THE HEADMASTER

To the Superintendent of Schools:

I offer herewith my eighth annual report of the Woodsville High School, covering the year ending today.

Registration for the current year is one hundred sixty-four pupils—sixty-five boys, and ninety-nine girls. These are classified as thirty-four seniors, forty-five juniors, thirty-six second year pupils, forty-eight first year, and one special pupil. Tuition pupils number sixty of whom thirteen come from Wentworth and twen-

ty-five from Ryegate. The others come from eight different towns. The percent of attendance for the last school year was ninety-seven, and the cases of tardiness reached only eight.

There are twenty-six recent graduates now in colleges, and ten in normal schools; also five are in various other schools. Fourteen boys and one girl are attending the State University at Durham. The School Board has made a regulation requiring in general a grade of eighty-five or over in each study and the approval of the Superintendent and Board before the school will grant a college entrance certificate.

Some classes are fairly large—chemistry twenty-six, physics thirty-nine, American history thirty-four, geometry thirty-three, nursing twenty-nine, stenography twenty-eight. Many others have been divided into two sections. Enlarged facilities have been provided in the coat rooms. The library has been increased by the purchase of a hundred volumes with the Lyceum funds.

The program of studies is arranged in three general courses:

Academic—1st year, English, Latin, Algebra, French; 2nd year, English, Caesar, Geometry, French; 3rd year, English, Cicero, Physics, Ancient History; 4th year, English, Virgil, U. S. History, Review Mathematics, Chemistry.

General—1st year, English, History of Civilization, and two of Algebra or French or Household Appliances; 2nd year, English, and three of Geometry or Biology or French or Nursing or Commercial Geography; 3rd year, English, Physics, and two of Modern History or Spanish or Household Organization, 4th year, English, U. S. History, Economics, and two of Chemistry or Review Mathematics or Spanish or Household Management.

Commercial—1st year, English, Bookkeeping, and

two of Algebra or French or Household Appliances or History of Civilization; 2nd year, English, Bookkeeping, and two of Geometry or Biology or French or Nursing or Commercial Geography; 3rd year, English, Stenography, and two of Physics or Household Organization or Spanish or Modern History; 4th year, English, Stenography, U. S. History, and two of Economics or Household Management or Chemistry or Review Mathematics or Spanish.

One of the most difficult things is to select the most suitable course of study at the beginning of High school days. Too many pupils choose what appears to be easy or attractive, and later regret that they have not had the real foundation subjects.

A pupil who likes to study and who wants to get the best development during these early years, makes no mistake in selecting the old-fashioned Academic Curriculum—Latin, algebra, geometry, French, physics, history and the rest. For such pupils a year of bookkeeping, stenography, or household arts may readily be added as an extra.

Twenty-seven pupils were graduated on June 18, 1925—Margaret H. Bailey, Raymond E. Boyce, Elizabeth L. Child, Alta J. Colby, D. Henry Connolly, S. Bruce Cromwell, Agnes E. Darling, Roger H. Downing, Thelma A. Downing, Ruth L. Gibson, Roy I. Heath, Mildred L. Kimball, Hazel B. McIver, Mary S. Morin, Euna D. Reynolds, Muriel G. Rowden, Janice M. Sargent, Wesley W. Spinney, Floyd M. Stearns, Clarence E. Thayer, Geraldine E. Wallace, Stanley L. Witcher, Karl W. White, Martha R. White, Walter H. Winslow, Frank G. Woodward, Robert C. Workman.

First honor as determined by marks throughout the course was taken by Euna Reynolds, and second honor by Geraldine Wallace. Hazel McIver and Euna Reynolds had been present at every session throughout the four years. The Alumni Attainment Medal was a-

warded to Margaret Bailey, presentation being made by Willis Howe of the class of 1902.

The annual Prize Speaking has been continuous since the founding of the school. The last exhibition was held on June sixteen. First prizes were awarded to Elmer Nelson and Kathleen Davison, and second prizes to Maurice Heath and Charlotte Gannett. One citizen of the village has for many years generously contributed part of the prizes.

The orchestra has been enlarged by the addition of several new instruments; there are now twelve members. The baseball boys won the championship cup in the White Mountain league in the season of 1925. The school participated in the state debating league, and also sent a delegate to the interscholastic speaking contest at Durham. Several boys attended the Y. M. C. A. convention at Manchester. The green "W" was given to those pupils who took part on athletic teams; the orange "W" was awarded to those who participated in public speaking, debating, and orchestra; certificates were presented to those who maintained a superior grade of scholarship throughout the year. The bulletin boards are kept spread with timely notes, pictures, and incentives to achievement; public and personal talks are made a part of the weekly routine. The school is completing its thirtieth year; there have been in all three hundred forty-seven graduates.

Respectfully submitted,

G. H. McGAW.

January 29, 1926.

**FINANCIAL STATEMENT OF THE WOODSVILLE
UNION HIGH SCHOOL DISTRICT FROM
JULY 1, 1924 TO JUNE 30, 1925**

RECEIPTS

From local taxation:		
Support of elementary schools	\$12,900 00	
Support of high school	12,000 00	
Salaries of district officers	80 00	
Payment of principal of debt	1,000 00	
Payment of interest	990 00	
Payment of per capita tax	730 00	
Woodsville Free Public Library	800 00	
	<hr/>	\$28,500 00
From sources other than taxation:		
Dog licenses	\$115 56	
Elementary school tuitions	821 00	
High school tuitions	3,304 00	
Income from local trust funds	95 60	
Rebate on nurse's salary	7 50	
Temporary loans	5,200 00

Net debt	\$20,452 91
----------	-------------

SCHOOL BUDGET FOR WOODSVILLE UNION HIGH SCHOOL DISTRICT, 1926-27

Estimate for:

Teachers' salaries	\$21,300 00
Text books and supplies	1,500 00
Janitor service	1,800 00

Fuel	1,500 00
Water, light and janitors' supplies	450 00
Health supervision	342 00
Payment of debt and interest	1,900 00
State per capita tax	758 00
Officers' salaries	80 00
Superintendent's excess salary	450 00
Repairs and new equipment	1,000 00
Insurance and other expenses of instruction	300 00

Estimated total expense for 1926-27	\$31,380 00
Less probable income from tuitions	3,680 00

Total amount to be raised	\$27,700 00
---------------------------	-------------

Therefor the School Board recommends that the district raise and appropriate the following sums:

For officers' and superintendent's salaries	\$530 00
For debt and interest	1,900 00
For all other purposes	25,270 00

\$27,700 00

The amount asked for this year is the same as that raised for the past two years.

Respectfully submitted,

C. A. BUTSON
D. S. STONE

WOODSVILLE UNION HIGH SCHOOL DISTRICT

Treasurer's report covering year July 1st, 1924 and July 1st, 1925:

Balance from last year's account	\$325 69

All Coupons No. 21 due July 1st, 1925	472 50
	<hr/>
	\$497 25

And this amount is on deposit in Bank to pay the coupons when presented.

The Bonded Debt is now \$21,000.00 of which Bonds No. 22 and 23 of \$500.00 each are payable Jan. 1st, 1926, also No. 24 and 25 payable Jan. 1st. 1927 and above bonds should be presented to Bank for payment on those dates.

Respectfully submitted,

L. E. DAVISON, Treasurer.

AUDITOR'S REPORT

Woodsville, N. H., July 21st, 1925

I hereby certify that I have this day examined the books and accounts of the School Committee and Treasurer of the Woodsville Union High School District for year ending June 30th, 1925, and find them correctly cast and properly vouched with balance on hand of \$547.09 in checking account. I also certify that in the presence of the Chairman of the School Committee and the Treasurer, I have this day destroyed two bonds for \$500.00 each, also all coupons due July 1st except coupons No. 11 and 12 of Bond No. 18 of \$11.25 each, \$22.50, coupon No. 15 of Bond No. 30 of \$2.25, and all coupons No. 21 due July 1st, \$472.50. There is a deposit in the Woodsville National Bank of \$497.25 to the Bond Account to pay all outstanding coupons.

E. R. BALL, Auditor.

correctly cast and properly vouched.

DEXTER D. DOW, Auditor

Report of the School Board of Haverhill

TOWN SCHOOL DISTRICT WARRANT

State of New Hampshire

To the Inhabitants of the School District of the Town of Haverhill, who are qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall, in said district, on Saturday the 27th day of March, 1926 at 10 o'clock in the forenoon to take action on the following:

Article 1. To choose a moderator for the ensuing year.

Article 2. To choose a clerk for the ensuing year.

Article 3. To consider the reports of the school officers to June 30, 1925 and pass any vote pertaining thereto.

Article 4. To choose a Treasurer for the ensuing year.

Article 5. To choose a member of the School Board for the coming three years.

Article 6. To choose a member of the School Board for the coming two years.

Article 7. To choose an auditor for the ensuing year.

Article 8. To see if the District will vote and appropriate the sum of money for school purposes as

recommended in the budget published in the Town Report.

Article 9. To see how much the District will vote to raise and appropriate for repairs and new equipment.

Article 10. To see how much the District will vote to raise and appropriate for the transportation of High School Students.

Article 11. To see if the District will vote to raise and appropriate the sum of \$420.00 to defray High School Tuition for six students living in the Four-Corner District, so-called, for the current year.

Article 12. To see if the District will vote to remodel Haverhill Academy and Pearson Hall according to the plans proposed and make necessary appropriations therefor.

Article 13. To see what sum of money the District will vote to raise and appropriate to pay for the services of the Superintendent.

Article 14. To see what sum of money the District will vote to raise and appropriate to pay for the services of the School Board, Treasurer, and other officers elected at the annual School Meeting.

Article 15. To see if the District will authorize the School Board to borrow money on its notes until the taxes shall be collected.

Article 16. To transact any other business that may properly come before this meeting.

E. BLANK,
DANIEL CARR,
FRED C. RUSSELL,

School Board of Haverhill.

REPORT OF THE SCHOOL BOARD OF HAVERHILL

The undersigned members of the Haverhill School board beg to submit the following report.

We wish to draw the special attention of the Voters and Taxpayers to the reports of our Superintendent and of the Headmaster of Haverhill Academy, from which it is gratifying to note that progress is being made in every phase of the Schoolwork.

There is, however, one feature in connection with Haverhill Academy which at the present time handicaps the carrying out of the prescribed schoolwork in as efficient a manner as it should be. It is the lack of sufficient class and recitation rooms in the Building. The High School has grown in leaps and bounds and for several years past it has been necessary to hold some of the classes in Pearson Hall. The passing of the Students to and from Pearson Hall even during the favorable season of the year is bad from the standpoint of the loss of time involved, but it actually becomes a menace to the Students from a hygienic point of view, when they are obliged to go back and forth in all kinds of weather during late Fall, Winter and early Spring. Our Superintendent pointed out in his last year's report that it might be possible to have the grades transferred to Pearson Hall and thus utilize the entire Academy Building for High School Work.

The idea is perfectly plausible and logical. If the Voters and Taxpayers take into consideration the fact that the present enrollment of Students at the Academy is over 90 and probably will exceed 100 the coming Fall, they will agree with the School Board and Superintendent that the time has arrived when something will have to be done to place Haverhill Academy on an up-to-date and modern basis.

With this in view, also anticipating the wishes of the Voters in the premises, the School Board has gone ahead and engaged an Expert School Architect to draw up the necessary plans for the Remodelling of the Academy Building, also to submit plans for creating 3 splendid rooms for the grades in Pearson Hall.

The Board fully realizes and appreciates the fact that quite a considerable sum of money will have to be raised in order to carry out the project in mind. The School Board recommends that the cost involved be spread over a series of years, and thus make the burden on the Taxpayers as light as possible.

One set of the plans has been given to the Rowe Construction Co., for the purpose of figuring on the cost of the work and we will be in a position to submit their figures at this District Meeting.

It is needless to say that a large attendance at that meeting is earnestly desired. The matter is a very vital one and every Voter and Taxpayer should be interested in it.

During the past summer the Interior of the School Building in District No. 10 was re-modelled and painted inside and out. New Teachers' and pupils' desks were installed. In its present condition it is one of the best school buildings in the District. The Exterior of the School Buildings at Pike, East Haverhill and No. 6 were also painted. Another Summer it will be necessary to renovate the interior of the School Houses at Pike, East Haverhill, Centre Haverhill and Brier Hill.

Transportation of High School Students: Whilst the same has been handled in a very satisfactory manner as regards the Students from the North-end of the Town, the carrying of the Students from the South-end and East-end has become quite a serious problem. When the Fall Term started Mr. Fred White found himself confronted with the problem of transporting

37 Students. For a considerable time he carried them in one load in his Buick Truck, but the objections and criticisms on the part of the parents of the Students became so insistent that Mr. White is now obliged to make two round trips each day. Naturally, and justifiably so, he claims that a remuneration of \$1,200.00 is absolutely inadequate. From all conjectures it is safe to say that the number of students to be transported next Fall from these two sections of the Town will be at least 40, and if the Voters and Taxpayers desire to have Students transported in the same way as at present a much larger appropriation will have to be made.

It is our desire to acquaint the Taxpayers with the financial condition of the District at the present time and for that purpose we beg to submit a financial statement showing the approximate assets and liabilities of the District.

We also wish to draw the attention of the Voters and Taxpayers of the District to the Budget for the fiscal year from July 1, 1926, to June 30, 1927.

At the last District Meeting Miss Edna Merrill was elected member of the Board, but upon her declining to serve, the Board appointed Mr. Daniel Carr of North Haverhill to take her place on the Board for the period of one year. Both that gentleman and Mr. Emile Blank of Pike will be the retiring members of the Board.

Respectfully submitted,

E. BLANK,
DANIEL CARR,
FRED C. RUSSELL,

School Board of Haverhill.

Haverhill, N. H., Feb. 1, 1926.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Haverhill School District:

I am presenting for your consideration my fifteenth annual report.

The total enrollment in all schools for the current year is 399 as compared with 408 last year. There are 16 tuition pupils attending Haverhill Academy and five children from Benton Flats are registered at East Haverhill. The names of the teachers with the number of pupils in each school is as follows:

Haverhill Academy: 93 pupils, Friend Holmes Jenkins, Headmaster; Edith Morrill, Ruth Wadleigh, Arthur Welcome, and Ruth Jenkins, assistants; Haverhill Grammar, Minnie Morris, 22 pupils; Haverhill Primary, Rosie Russell, 30; Ladd Street, Elsie Darling, 27; Pike Grammar, Hazel Russell, 24; Pike Primary, Mabel Tragansa, 22; East Haverhill Grammar, Marjorie Deming, 18; East Haverhill Primary, Dorothy Carter, 15; Number six, Elma Howard, 14; Number ten, Grace Winchester, 13; The Center, Lily Sawyer, 23; Brier Hill, Doris Noyes, 23; North Haverhill Grammar, Bertha Wood, 23; North Haverhill Intermediate, Thelma Nichols, 27; North Haverhill Primary, Sadie Carr, 25; manual arts and domestic science, Bertha Wheelock.

The attendance record for 1924-25 was the best yet. The per cent of attendance in all schools was 93.9. There were only 590 tardy marks as compared with 733 the previous year. This is conclusive proof that the proper interest on the part of the teacher can bring about a better attendance record. A few parents and guardians do not understand that the state law requires the attendance "all of the time

schools are in session" of all children unless they are fourteen years old and have graduated from the eighth grade. The phrase "all of the time schools are in session" carries the implication that pupils must be in school when school begins and parents may be prosecuted for their children's tardinesses as well as for non-attendance. There were on the average last year 3.8 no-school days, the year before there were 5.5 no-school days.

Thirty-two pupils were neither absent nor tardy during the year. They were: Arden Atkins, Wyman Blake, Burton Cady, Phineas Chamberlin, Marion Dennis, Freda Eastman, Emily Gregory, John Getchell, Forest Howe, Elizabeth Hardy, Marguerite Hardy, Clark Ingalls, Mary Ingerson, Barbara Jeffers, Kathleen Keith, Helen Kimball, Bernard Lavoie, Rita Leonard, Ethel Lange, Winifred McKean, Russell McAulay, Chester Pierce, Elsie Pierce, Muriel Spooner, Robert Spooner, Lucia Willard, Kenneth Wilson, Pearlle Wilson, Leslie Wilson, Helen Wing, Wilson Willey, Sarah Wright.

Only seven graduated from Haverhill Academy in the class of 1925. These were: Clarice A. Carpenter, Martha E. Day, Frank J. Ellsworth, Leon A. Getchell, Thelma A. Hoyt, John A. Howard and Velma E. Scallon.

These pupils completed the eighth grade and all entered the Academy: Arden Atkins, Dorothy Atkins, Emily Applebee, Lucien Brunelle, Morris Church, Esther Cross, Cora Drew, Arthur Foss, Emily Gregory, Paul Glidden, Letitia Hardy, Marguerite Hardy, Helen Kimball, Leslie Kimball, William Keyes, Irma Lavoie, Roberta Miller, Lora Noyes, William Raymond, Neil Smith, Leon Willoughby, Beulah White, Gertrude Wright.

"The parent, guardian or other person having the custody of a child who is infected with or who has been exposed to a communicable disease shall not per-

mit him to attend either a public or a private school." The above is a copy of the state law. Parents who send their children to school with a communicable disease, therefore, may be prosecuted. Itch is a communicable disease. Instead of venting their ill-humor on the teacher or school nurse who justly protect the school by sending infected children home, parents should thank them for letting them off so easily. The health of the group takes precedence over the comfort and convenience of the individual. The school nurse reports 65 school visits, 60 home visits, and 161 cases of treatment.

From now on the state requirements will not allow a high school graduate with six weeks of summer school work to teach in the state. The large number of Normal school graduates will supply all vacancies even in rural schools. With the same quality of teaching the one room school, unless over-large, will furnish its pupils as good all round training as the village schools. In the upper grades of both rural and village schools it is now possible in most cases to give some elementary science, literature, and advanced in mathematics, as algebra or concrete geometry. In addition the village schools are again doing the junior high school requirement in manual training and domestic science. With the present arrangement of three or four grades to a room it is not possible to do in any case full junior high school work. It seems best to have a flexible requirement, adapting it to the needs and possibilities of the individual school.

In last year's report I called the attention of the district to the need of more adequate accommodations for the high school. The greatly increased enrollment, the largest in the history of the school, has this year noticeably accentuated that need. Only one recitation room in the main building is large enough to seat the average class and as a result, in all sorts of weather

and traveling, the great majority of the pupils have to pass out of doors to the larger rooms in the old Academy building. Such passing is a serious menace to the health of the pupils and a waste of valuable time. There is not in the northern half, at least, of New Hampshire a high school building so inadequate, so poorly equipped, so out of date as Haverhill Academy. There is urgent need of action in this matter. Plans have been drawn, remodeling the new building wholly for high school purposes and transferring the grades to Pearson Hall. This arrangement seems to me and to the school board to be the wisest solution of the problem. Still there may be a better one. If so, what is it?

I refer you to Headmaster Jenkins' report for the details of the high school administration. The school is gaining not merely in numbers but in quality of scholarship. The pupils are responsive; the school spirit was never so strong and helpful, the teachers are competent. The great lack is proper housing conditions and equipment.

Respectfully submitted,

NORMAN J. PAGE.

REPORT OF HEADMASTER

To the Superintendent of Schools:

I offer herewith my second annual report of Haverhill Academy.

Statistics for current year: Pupils registered 93; boys 47; girls 56; increase over last year 12; 1st year class 31; 2nd year class 23; 3rd year class 18; 4th year class 20; Post Graduates 1. Curriculum: Academic 15; English 50; Domestic Arts 19; Agriculture 8; Special 1. Tuition pupils, 16, coming from six towns as follows, Bath 1, Glencliff 1, Benton 1, Piermont 9, Kingston 1, Wentworth 3. Of the 93 pupils enrolled only 11 come from Haverhill Corners. The number coming from Pike and East Haverhill is so great that the bus is required to make two trips. It would be a decided advantage to have a bus large enough to carry all the pupils from these two towns at one load.

The program of studies is as follows:

Academic Curriculum—1st year: English, History of Civilization, Algebra, Latin; 2nd year: English, French, Geometry, Latin; 3rd year: English, French, Physics, Latin; 4th year: English, U. S. Constitutional History, Review Math or French or Chemistry.

English Curriculum—1st year: English, History of Civilization, Algebra and Bookkeeping; 2nd year: English, French, Modern History, Geometry; 3rd year: English, French, Physics, Economics and Business Practices; 4th year: English, U. S. Constitutional History, Chemistry, Review Math or French.

Domestic Arts Curriculum—1st year: English, History of Civilization, Algebra or Peactical Math, Household Appliances; 2nd year: English, Modern History, Physiology, French or Geometry; 3rd year: English, French, Physics, Economics and Business Practic-

es, Household Organization; 4th year: English, U. S. Constitutional History, Household Management, French or Chemistry.

Agricultural Curriculum—1st year: English, History of Civilization, Animal Production and Shop Work, Algebra or Practical Math; 2nd year: English, French, or Geometry, Plant Production and Shop Work, Modern History; 3rd year: English, French or Economics and Business Practices, Physics, Special Enterprises and Farm Engineering; 4th year: English, U. S. Constitutional History, Chemistry, Rural Life Problems and Shop Work.

Parents and others interested in the pupils' welfare should acquaint themselves with the program of studies in order that they might aid the pupils, starting High School, to choose their curriculum with some definite aim in view, rather than to allow them to choose that one which appears attractive or easy.

There is always a desire on the part of many pupils to change their program after the 1st or 2nd years, the desire being due mostly to the fact that the curriculum started was chosen for no particular reason other than its attractiveness. This change cannot be made without a considerable loss of related content matter.

The attendance for the past year has been exceptionally good. The present per cent of attendance is over 97.

Of the seven following graduates of the class of 1925, two have entered Post Secondary Institutions: Clarice Carpenter, Martha Day, Frank Ellsworth, Thelma Hoyt, John Howard, Leon Getchell and Velma Scallon. One of the above graduates returned this year for Post Graduate work.

First and Second Honors were won by Martha Day and Clarice Carpenter.

On Mar. 19th, 12 members of the school presented

the annual Senior play, entitled, "Fifty-Fifty." Later in the Spring term the Athletic association staged the play, "Daddy."

Several school socials were given during the year. The High School orchestra has appeared at all school functions and on many other occasions elsewhere.

The Athletic association began the fall term of 1924 with an indebtedness of over \$25.00 which was paid during the year. In addition to this indebtedness and the usual current expenses, new suits were purchased for the team. At the present time the books of the association show a cash on hand of over \$100.

Of the 12 games played of the boys' team, 8 have been won and of the 11 played by the girls' team, 8 have also been won. In all these games a clean, fighting, sportsman-like spirit has been displayed.

Both Junior and Senior classes are writing "Weeklies," which are read in assembly. These are not published at the present but are the beginnings of a school paper that will appear for publication in the near future.

School notes and items of interest have been supplied by a "pupil committee," for the local papers.

The English courses have undergone several changes as to reading lists and many new books have been purchased.

The greatest need, at the present time, is some means of relieving the over crowded conditions of the main building, and of eliminating the necessity of using both buildings for the High School. Both undesirable features could be removed by remodeling Pearson Hall for the grade rooms, thus giving the main building over to the High School. The passing of classes from one building to the other is not only a serious waste of time but a menace to the health of the pupils. The extra time consumed in passing between the buildings amounts to over 60 periods in the course

of a 36-week school year. Eliminating this waste of time would add over a week in actual teaching time to the school year. This is a matter that should receive the serious consideration of the voters at the next School meeting.

Respectively submitted,

F. H. JENKINS.

TREASURER'S REPORT

I submit the following report as Treasurer of Haverhill School District for the year ending June 30, 1925:

RECEIPTS

Balance of Cash on Hand July 1, 1924,	\$ 121 12

Respectfully submitted,

HENRY O. TRUE, Treasurer.

Haverhill, N. H., June 30, 1925.

AUDITOR'S REPORT

I have, this day, examined the accounts of The School Board and Treasurer of the Haverhill Town School District for the period from July 1, 1924 to June 30, 1925 and find them correct.

I find a Cash balance at the Woodsville National Bank on June 30, 1925 of \$1,057.75, but, inasmuch as I find outstanding Vouchers Nos. 1844, 2211, 2733, 2774, 2776, 2777, 2785, 2790, and 2791 totalling \$449.27, the actual balance in the hands of the Treasurer is \$608.48.

Three notes (Temporary Loans) amounting to \$8,000.00 were destroyed by burning in the presence of the School Board.

There is outstanding one note amounting to \$1,916.66 representing the balance due on the Heating Plants Notes, and it will mature February 15, 1926.

M. A| MEADER, Auditor.
Haverhill, N. H., July 7, 1925.

APPROXIMATE FINANCIAL CONDITION OF DISTRICT AS OF FEBRUARY 1, 1926.

ASSETS

Cash in Hands of Treasurer,	\$18,395 94
Estimated Receipts:	
Smith-Hughes Fund, about	500 00
Tuitions, about	1,696 00
Rent of Pearson Hall, Alumni	
Hall and Talbirt House, about	100 00
Sale of Coal, about	78 00
Town of Haverhill on account	
of Dog Licenses, about	100 00
	<hr/> \$20,869 94

LIABILITIES

Estimated Expenses from Feb. 1, 1926 to
June 30th, 1926, as follows:

Teachers' salaries, about	\$10,300 00
Transportation of High School	
Students, about	1,200 00
Transportation of Elementary	
Pupils, about	600 00
Janitor Service, about	1,300 00
Text Books & Supplies, about	250 00
Tuitions, about	700 00
Fuel, about	750 00
Minor Repairs, about	100 00
Water, Light & Janitor Supplies,	
about	100 00
Miscellaneous Expenditures,	100 00
Temporary Loans & Accrued Int.,	5,608 64
District Officers,	225 00

	<hr/>	About,	\$21,233 64
Apparent Deficit,			<hr/>
		\$	363 70

This Deficit is due to the fact that in our Budget of last year we estimated to receive the sum of \$6,000.00 from the State, whereas only \$5,358.28 was actually received, and that the usual \$500.00 from the Trustees of Haverhill Academy will not be available this year.

SCHOOL BUDGET FOR FISCAL YEAR, JULY 1, 1926 TO JUNE 30, 1927.

I. Budget (School Money):

	Elementary Schools	High School
For Teachers' Salaries,	\$13,500 00	\$ 8,150 00
Fuel,	1,500 00	450 00
Janitor Supplies, Water and Light,	175 00	175 00
Janitor Service,	1,550 00	500 00
Elementary Transportation,	1,050 00	
Elementary Tuition,	700 00	
Health Supervision,	460 52	38 50
Text Books & Scholars Supplies,	700 00	500 00
Total amount of above items,	\$19,635 52	\$ 9,813 50

II. Requirements to meet budget:

(a) For support of elementary schools,	19,635 52	
Less probable state aid,	5,000 00	
	-----	\$14,635 52
(b) For support of high school,	9,813 50	
Less probable income,	1,700 00	
	-----	\$ 8,113 50
Total for support of all schools (School money),		22,749 02
For the payment of state per capita tax (Statutory),		866 00

Estimated assessment for all schools,		\$23,615 02

III. Estimate of special assessments:

(1) For repairs and new equipment,	1,500 00
(2) For Transportation of High School Pupils,	2,900 00
(3) For Tuition of H. S. Pupils from Brier Hill,	420 00
(4) For Superintendent's excess salary,	600 00
(5) For salaries of district officers,	250 00

Total,	\$29,285 02

HAVERHILL ACADEMY ACCOUNT

According to an agreement with the trustees of Haverhill Academy we herewith submit statement of the cost of maintaining the High School at Haverhill Corner for the period from July 1st, 1924 to June 30th, 1925.

F. Holmes Jenkins, Headmaster,	\$2,200 00
Henry E. Dockler, Sub-Master,	1,500 00
Arthur L. Welcome, Agricultural Teacher,	1,700 00
Edith G. Morrill, Asst.,	1,300 00
Ruth Wadleigh, Asst.,	1,150 00
Chas. A. Woods, Janitor,	480 00
Precinct of Haverhill Corner, water supply,	30 00
Bradford Elec. Light Co., Elec. light service,	88 26
Janitor Supplies,	26 25
Medical Inspection,	35 50
Minor repairs at Haverhill Academy, Pearson	
Hall, Alumni Hall & Talbirt House,	547 70
Fuel,	419 59
Text Books,	163 21
Scholars' Supplies,	180 01
New Equipment,	42 85
Other Expense of Instruction,	32 00
Tuition,	490 00
Transportation of High School Students,	2,027 74
	<hr/>
	\$12,413 11

VITAL STATISTICS

To the Selectmen of Haverhill: In compliance with an act of the Legislature passed June session 1877 requiring "clerks of towns and cities to furnish a transcript of births, marriages and deaths to the municipal officers for publication in the annual reports," I submit the following Vital Statistics:

I hereby certify that the following return is correct according to the best of my knowledge and belief.

A. F. KIMBALL, Town Clerk.

Births Registered in the Town of Haverhill, N. H., for the year ending December 31, 1925
